To

P. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Finance Department.

SIR,

I have the honour to state that in April 1923, the Deputy Commissioner of the Nyamati Division reported that several devotees of the Sri Sankaracharya Swami of Sringeri had offered 6½% bonds of the aggregate value of Rs.3075-7-0 for the interest thereon to be utilized for the annual observance of the Sringeri Chaturmasya and that the offer might be accepted. In the Home Department letter to the Controller No.1 dated 30th April 1923, Government directed that the Controller should ensure that the Collector of Nyamati obtained effective assignment of the bonds in favour of Government before the bonds were accepted. The Deputy Commissioner's letter of 21st September 1923 (above mentioned) explained that the bonds had been assigned in favour of Government. The Controller has now reported that the bonds could be accepted with the exception of the following:

A 004956	12- 3- 0	Government have, therefore,
004970	1 - 3- 0	the Deputy Commissioner

each of them.

2. In the circumstances of the case, I am directed to request that the Government may kindly be pleased to accept the bonds herein enclosed

out by the Comptroller.

. Orders for the endowment of a whole will be passed by means of orders set for above.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

7 dated 21st September 1928 from the Deputy
ek. Mys strict to the Muzrai Commissioner of Mysore.

Endowment - Sri Srikanteswaraswamy temple-Nanjangud-Varudanti Utsava - by private devotees.

With reference to your letter No.1463 of 27-28 dated 5/6th. July 1928 requesting certain corrections to be made in the endorsements of 91 loan bonds of the aggregate value of Rs.2025 endowed by private devotees for the performance of vardhanti Utsava in the above temple, I have the honor to state as follows in answer to the several objections taken by the Comptroller in his letter of 26/27 June 1928:-

1. Bonds Nos. A. 004956,004970,A.017915,017919,B.009157 and 009164.

The Amildar, Nanjangud taluk reports that the holders of the above bonds are all dead, or their whereabouts xx are not known and that under the circumstances, special sanction of Government may kindly be obtained to treat the endorsements made already in favour of the Amildar as equivalent to that in favour of the Comptroller, Government of Mysore.

2. Bond No.A.017915. It is reported that the whereabouts of the holder are not known and that on enquiry it is ascertained that Gangabayee and Gangamma are the names of one and the same individual.

If necessary, sanction of Government may kindly be obtained in the matter.

3. Bond No.A.004943. The holder of the bond is since dead, his thumb impression was taken when he was alive before the Archaka of the temple who has given a statement that the thumb impression is that of the bond holder Chandayya. Sanction of Government may be obtained to accept the thumb impression of the holder without attestation.

4. Bond Nos. A.004949,004950,004951,004955,017903,017912, B.001921,001925 001929,009159,009161 and D.013839.

The signatures in these bonds are all bonafide signatures of the respective bond holders who have affixed them before the Amildar Nanjangud As they have signed in their usual manner, the signatures already made may kindly be accepted. As their whereabouts are not known it is not possible to take fresh signatures. Necessary sanction, if necessary, may kindly be obtained.

5. Bond No.A.004936. The objection pointed out has been rectified.

6. Bond Nos.A.004965,004946, D.012840, C.001856, B.009155,001932, A.017900 017905, A.004975, 004966. A.017914, A.004963 and A.004901.

The required certificate is attached to each of these bonds by the

7. Bond No.A.017914. The holder of the bond is unable to write more clearly. As the signature is a bonafide one affixed before the Amildar Magistrate, it may kindly be accepted.

8. Bond No.A.004963. Though the name Sidai/sounds as that of a female, it is really the name of a male and no correction is necessary.

9. Bond No.A.004961. Mara and Marana Chinna are one and the same --- person personally known to the Amildar being a temple servant, Fresh thumb impression of Maranachinna could not be obtained as he is dead.

11. Another 6¼ % Mysore State Loan Bond No.A.017916 for Rs.12-8-0 --- endowed by Sri. Naradi Venkataramana for the performance of the Vardhanti Utsava and since received with Amildar's report, No.C.C.137 of 27-28 dated 10th September 1928 is enclosed for favour of acceptance.

111. All the 62 bonds have been offered by devotees out of their free will and all the signatures in endorsements already made on the bonds - though some of them as pointed out by the Comptroller are incorrect due to ignorance though not intentional, are bonafide signatures of the --- respective donors. Some of the holders are since dead and the whereabouts of others are not known. Although there are many practical --- difficulties to effect corrections in endorsements, already made, at this distance of time, most of the objections pointed out by the Comptroller have been rectified by the Amildar as far as possible.

IV. In view of the above facts and delay in payment of interest and in the performance of the utsava contrary to the earnest desire of the --- donors, I request that early sanction may kindly be accorded to the ---- acceptance of the endowment, necessary special sanction of Government being also kindly obtained to cover the defects in endorsements as stated in para 3 (Nos.1 to 5) supra.

V. The connected papers together with 62 bonds aggregating in value to Rs.2037-8-0 are enclosed.

Letter No. 1463 of 1927-28 dated 29th November 1928 from the Muzrai Commissioner in Mysore re acceptance of certain State Loan Bonds as Puduvat Deposits:

I have the honor to state that in April 1928, the Deputy Commissioner of the Mysore District reported that several devotees of the Sri Srikanteswaraswami temple at Nanjangud offered 6½% bonds of the aggregate value of Rs. 2075-0-0 the annual interest thereon being utilised for Vardhanti Utsava in the above temple and recommended that the endowment may be accepted and the bonds transmitted to the Comptroller to Government for safe custody. Further correspondence ensued and the Comptroller intimated that in respect of bonds which contained defective endorsements shich could not be obtained for various reasons the sanction of Government may be obtained for accepting them. The Deputy Commissioner's letter of the 21st September 1928 (copy enclosed) explains as to how it is not possible to get some of the bonds rectified owing to death of the party concerned or other reasons. The Comptroller who was requested to intimate which of the bonds could be accepted without any objection and which of them required Government sanction, states that the marginally noted bonds require sanction of Government to pass over technical objections mentioned (vide copy of letter dated 17th November 1928 enclosed against each of them.
